RENEWED PETITION FOR REVIVAL UNDER 37 CFR 1.137(B)

MAIL STOP PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the dismissed petition issued by the Office of Petitions on July 18, 2005, enclosed is a Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b) (3 pp.); Submission of Corrected Formal Drawings (1 pg.); and Corrected Formal Drawings (15 sheets, Figs. 1 through 13).

The above-identified application became abandoned on April 11, 2005 for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. Due to a clerical error in docketing, the rapid approach of the final deadline was not understood. Coupled with a failure of the third party draftsman to deliver the formalized drawings in a timely fashion, the final deadline was unintentionally missed. A decision on the petition under 37 CFR 1.137(b) filed June 24, 2005, to revive the above-identified application was dismissed on July 28, 2005 because the drawings provided with the petition were deemed unacceptable by the Draftsperson. The "Notice of Draftsperson's Patent Drawing Review noted that Figure 5, specifically, needed correction. However, pursuant to a telephone conversation on July 22, 2005 between Dawn C. Greenaway, Sr. Patent Paralegal of GTC Biotherapeutics, Inc. and Tyrone Johnson, the Draftsperson who reviewed the drawings for the above-identified application, Mr.

Johnson clarified and confirmed that Figure 10 was the drawing that needed correction. As requested by Mr. Johnson, the descriptive matter has been removed from the legend of Figure 10 and a complete set of Corrected Drawings are hereby submitted with this Renewed Petition for Revival .

Applicant believes no fee is due with this statement. However, if a fee is due, please charge our Deposit Account No. 502092, from which the undersigned is authorized to draw.

Dated: July 22, 2005

Respectfully submitted,

By
